

CHALLENGES FACING HNV FARMING IN THE BURREN

Poor economic
outlook

Poor social
structure

Land
abandonment and
intensification

Lack of integrated
land use strategy

Over-regulation/
Bureaucracy

Apathy and
Antipathy

Our solution? A Community Stewardship Model

Providing Burren farmers with targeted Financial, Technical and Social/Cultural support (*'pocket, head and heart'*) to lead in the care of their own place

- Bonden i centrum
- Minimalt pappersarbete
- Flexibilitet – ”freedom to farm”
- Tillit - förtroende
- Skapa stolthet “A happy farmer is a productive farmer”
- Rättvist och transparent betalningssystem

- Vad tar vi med oss Dalsland?
